# Attending a Webex Event from Home

CONNECT

Connect to the Presentation

To ensure the best viewing and audio experience, connect to the event from your home desktop, laptop, or mobile device, by going to **events.westat.com** in your browser. Do not use your remote desktop.

JOIN

Start the Webex

Just a few minutes prior to the event, or at any time during the event, the "Join" button will be active. Enter your name and Westat email address, then select the button to enter the event. The password will be pre-filled (the same password used to enter the website).

AUDIO

Play, Pause, & Stop

Once you join the event, the audio broadcast button should be active, if not, hover on it to select "Play." Once the audio is active, you can Pause or Stop the audio at any time.
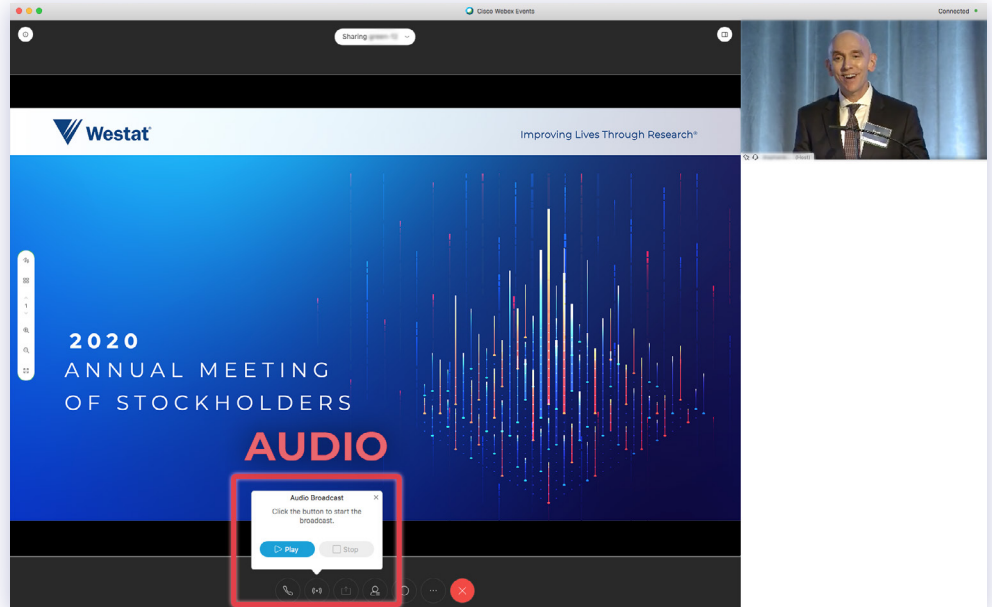

VIEW
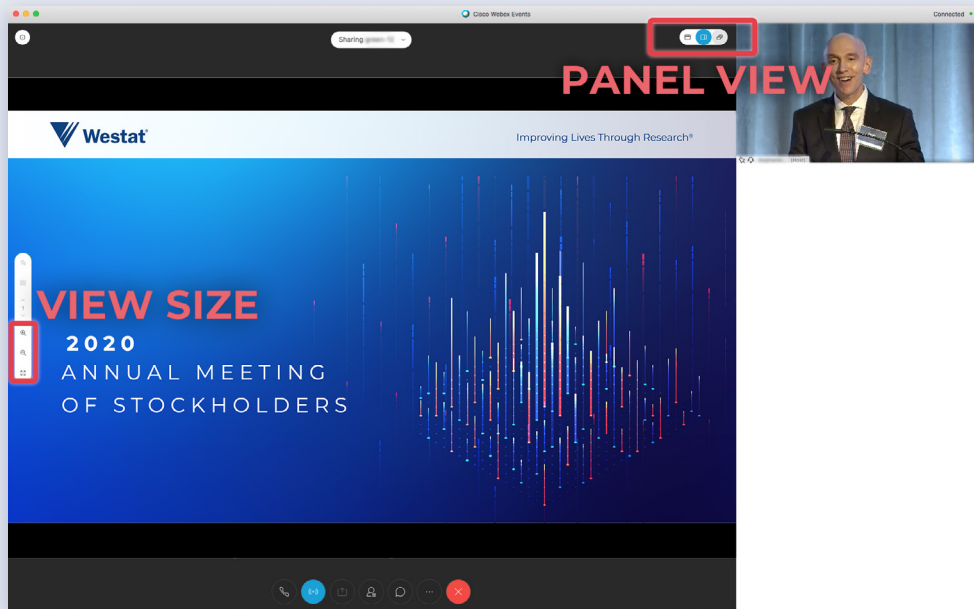

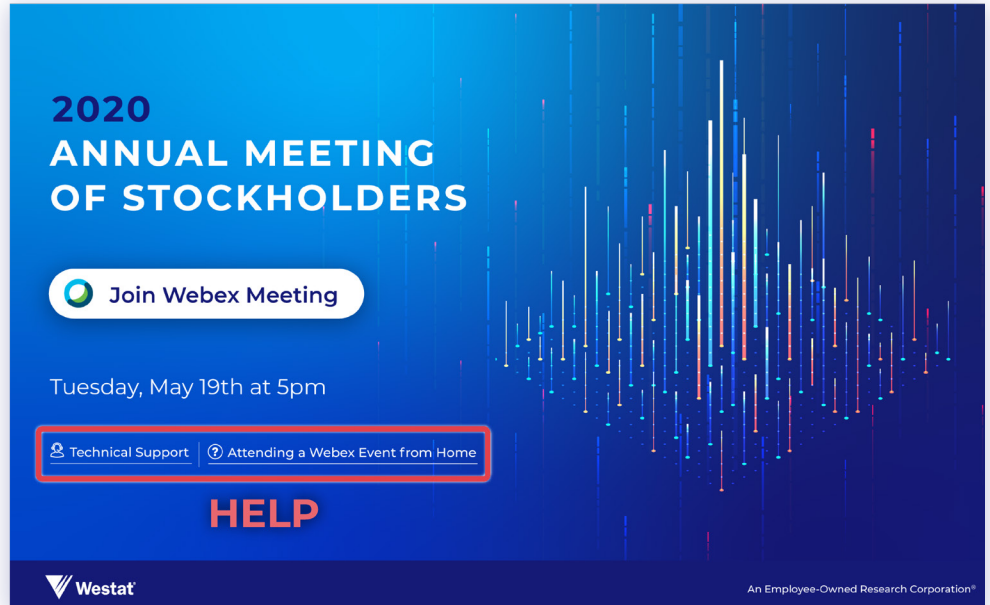

Change Presentation View

For the best viewing experience, hover on the double pane icon to change the view to have the presentation on the left and the speaker on the right. Full screen and zoom options are available in the toolbar on the left.
